The Key to Your Future Can be Found With DeMolay

Are you ready to take on the world? Are you ready to be a leader at work and in your family?

DeMolay will give you the keys you need to unlock your full potential as a leader and as a man.

DeMolay is more than the fun activities we do. We will help bring out your leadership skills and grow your self confidence.

Our Heritage

DeMolay was started in 1919 as a club for young men looking to become the best they can be.

You might be asking yourself, what is with the name? Jacques DeMolay was a knight in the 14th century and the last Grand Master of the Knights Templar.

Our original members learned the story of how DeMolay remained faithful and refused to betray the Templars. From that story, DeMolays learn to be loyal and live up to their promises.

How it Works

Most DeMolay Chapters meet twice a month. The Master Councilor, the elected leader of the Chapter, will run the meetings and make sure things are getting done.

Chapter meetings are where new members are welcomed, officers elected, and plans are made for the activities you will be part of.

A Variety of Activities

Many young men who join DeMolay enjoy the sports programs we offer. DeMolay offers basketball, soccer, dodge ball and even bowling competitions. You do not have to be a varsity athlete to be part of DeMolay sports but team spirit is a must!

In addition to athletics we offer events like paintball, video games, chess

Recognizing Achievement

DeMolay has a program of awards and honors to recognize what you achieve both in and outside DeMolay. There are awards for bringing in new members, getting good grades in school, living up to the DeMolay values and for being a strong leader in your Chapter.
